We have a zero tolerance position on modern day slavery and human trafficking and are committed to continually improve our practices to combat these areas. We are committed to doing business in an ethical manner with respect for our colleagues and the communities in which they live. We believe this commitment will benefit our customers and other stakeholders affected by the activities of Riverway Foods Limited. For many reasons, it is quite simply, the right thing to do. We recognise, however, that it is essential that our suppliers also understand and appreciate the standards of business conduct that are expected of any company that does business with us.
